Disclaimer

Pipze Market Limited is pleased to offer MT5 Trading Platforms powered by Metaquotes. However, it is imperative to clarify that Metaquotes bears no responsibility for any issues pertaining to Pipze Market Limited ' offerings or business practices.

In the event of any complaints or concerns arising from Pipze Market Limited ' services, we kindly request that clients initiate direct contact with Pipze Market Limited using the communication channels delineated in this policy.

Prior to initiating a complaint or raising concerns, clients are urged to carefully review the Client Agreement and Terms and Conditions provided by Pipze Market Limited. These documents contain comprehensive information on the procedures and protocols for registering complaints.

Please be advised that clients are refrained from raising concerns, service requests, or any related matters regarding Pipze Market Limited ' liquidity provider, software providers, gateway provider, or any regulatory bodies that have granted us a license. We appreciate your understanding in this manner.

Thank you for choosing Pipze Market Limited as your trading platform. We are committed to delivering a superior trading experience and ensuring that any concerns you may have are addressed in a professional and timely manner.
