 3. Receive your personal information, provided to Pipze Market Limited, in a structured, commonly used and machine-readable format and you have the right to transmit those information to any third party. You may also ask us to transmit your personal information directly from Pipze Market Limited to other person in case such other person support the information formats and secure connections used by Pipze Market Limited to transmit such information;
 4. Object, on grounds relating to your particular situation, at any time processing of your personal information. If you do so, Pipze Market Limited wouldn't process your personal information unless we demonstrate compelling legitimate grounds for the processing which override your interests, rights and freedoms or for the establishment, exercise or defence of legal claims. Such grounds include among other the responsibilities of Pipze Market Limited arising out of AML/CFT regulations;
 5. You have the right not to be subject to a decision based solely on automated processing, including profiling, which produces legal effects concerning you or similarly significantly affects you. However, we could do so if this is necessary for entering into, or performance of, a contract between us. We use an automated information system, which collects and process your personal information and make a pre-decision in respect to the entering into agreement with you or requests an additional information from you in order to execute our obligations under the agreement with you.

Reasons we share your personal information

We share your personal information with your consent or as necessary to complete any transaction or provide any service you have requested or authorized (debiting and crediting your accounts, executing your trading orders, providing support to you etc.).

In order to provide you with our services we share your personal information with our partners, vendors and service providers, including IT and software providers and vendors. We may also share your personal information with third persons and authorities if required by law, in respond to legal process, to protect our clients, to maintain the security of our services and to protect the rights or property of Pipze Market Limited.

We do not sell, license, lease or otherwise disclose your personal information to any third party for any reason, except as described below.

We reserve the right to disclose your personal information to third parties when required to do so by law to regulatory, law enforcement or other government authorities. We may also disclose your information as necessary to credit reporting or collection agencies. We may also disclose your information to non-affiliated third parties if it is necessary to protect Pipze Market Limited rights or property.

We share your personal information with the banks and payment institutions, which process your payments to/from us. Commonly, we share your name, address, contact details (email) and the amount of payment to/from you. Such disclosure is made solely to provide you with an ability to deposit withdraw funds to/from us.

We may share your personal information with third parties acting as our liquidity providers. Once we hedge your positions with external liquidity providers they may access the information regarding your trading orders, including types of derivatives traded, their amount.

Your personal information may be shared with our software vendors and IT services providers including trading platform providers (hereinafter – “IT vendors”). While providing Pipze Market Limited with software, its modifications, implementation and support IT vendors may have an access to our information systems from their systems and locations. As a result, some of your personal information depending on the system where they are kept may be disclosed to our IT vendors. We limit an access of such IT vendors to our information systems to the best of our abilities. However, the situation may arise that in the process of software maintenance (modification of software functionality, migrating information to the new software versions, fixing bugs etc.) the vendor and/or IT provider get an access to the databases where your personal information is stored.

Some of IT vendors act as our technology providers based on the software-as-a-service (SAAS) business model. In this case, Pipze Market Limited use their information systems installed on their hardware environment. Respectively, our databases may be kept on the servers of such vendors. In this case, we limit an access using integrated management rules, which restrict vendor’s access to the information kept by its clients (Pipze Market Limited).

To help us improve our services to you, we may engage another business to help us to carry out certain internal functions such as account processing, client service and support, client satisfaction surveys or other information collection activities relevant to our business. We may also provide a party with customer information from our database to help us to analyze and identify customer’s needs and notify customers of product and service offerings. Use of the shared information is strictly limited to the performance of the task we request and for no other purpose.

According to the applicable law, we are required to upload your trading information (trading orders and/or positions) along with some of your personal information (name and/or UID) to the trading information depositories. We enter into agreements with the well-known international depositories, which provide a highest level of information security.

We may share information with affiliates and partners, including companies operating under Pipze Market Limited brand name, if the information is required to provide the product or service you have requested, or to provide you with the opportunity to participate in the products or services our affiliates and partners offer. We may also forge partnerships and alliances, which may include joint marketing agreements, with other companies who offer high-quality products and services that might be of value to our customers. In order to ensure that these products and services meet your needs and are delivered in a manner that is useful and relevant, we may share some information with partners, affiliates and alliances. This allows them to better understand the offers that are most relevant and useful to yourself. The use of your personal information is limited to the purposes identified in our relationship with the partner or affiliate.

All third parties receiving your personal information from us under the respective agreements are required to protect your personal information in a manner similar to the way we do this. We use a variety of legal mechanisms, including contracts, to help insure your rights and protections.

Restriction of responsibility

If at any time you choose to purchase a product or service offered by another company, any personal information you share with that company will no longer be controlled under our Privacy Policy. We are not responsible for the privacy policies or the content of sites we link to and have no control of the use or protection of information provided by you or collected by those sites. Whenever you elect to link to a co-branded Web site or to a linked Web site, you may be asked to provide registration or other information. Please note that the information you are providing is going to a third party, and you should familiarize yourself with the privacy policy provided by that third party.

Restriction of responsibility

All individuals who are the subject of personal information held by us are entitled to:

1. Ask what information we hold about them and why;
2. Ask how to gain access to it;
3. Be informed how to keep it up to date;
4. Have inaccurate personal information corrected or removed;
5. To receive the personal information concerning them, which they have previously provided;
6. Prevent us from processing information or request that it is stopped if the processing of such information is likely to cause substantial, unwarranted damage or distress to the individual or anyone else, etc.;
7. Require us to ensure that no decision which significantly affects an individual is solely based on an automated process for the purposes of evaluating matters relating to him/her, such as conduct or performance;
8. Be informed what we are doing to comply with our obligations under the personal information protection laws.

If you cannot access certain information and personal information collected by Pipze Market Limited, you can always contact Pipze Market Limited by contact details as specified in this Privacy Policy. We will respond to requests to access or delete your personal information within 30 days.

Should you consider that your rights under this Privacy policy and/or applicable legislation are infringed by us and we didn't take all necessary actions to remedy such violation or rejected your claim you have the right to lodge a complaint with a supervisory authority and before the competent court.

Security of Personal Information

We maintain strict security standards and procedures with a view to preventing unauthorized access to your information by anyone, including our staff.

We use different organizational and technological measures to protect your personal information such as pseudonymisation and encryption. As a part of the pseudonymisation process when you establish a business relationship with us we assign to your accounts (both ewallet and trading account) the unique identifiers (UID) which make your personal information no longer be attributed to you without the use of additional information from our information system. Your UID instead of your name is used in most of the information systems we utilize to provide you with our services. Only a limited number of our staff and third parties have an access to the information system where your personal information in conjunction with UID is stored.

We use leading encryption technologies to secure your information on a hardware and software levels. The hardware protection includes Cisco security products. The software protection tools include strict control mechanisms as follows: SSL, TLS with keys larger than 2048-bit.

All Pipze Market Limited members, all our staff and third parties whenever we hire them to provide support services, are required to observe our privacy standards and to allow us to audit them for compliance.

Where Personal Information is stored and processed

Personal information collected by Pipze Market Limited may be stored and processed in your region or in any other country where Pipze Market Limited or its affiliates, subsidiaries or service providers maintain facilities. Typically, the primary storage location is in the European Union, with a backup to the information centers in other regions. The storage location(s) are chosen in order to operate efficiently, to improve performance, and to create redundancies to protect the information in the event of an outage or other problem. We take steps to ensure that the information we collect under this privacy statement is processed according to the provisions of this statement and the requirements of applicable law wherever the information is located.

We transfer personal information to other countries. When we do so, we use a variety of legal mechanisms, including contracts, to help ensure your rights and protections travel with your information.

Retention of Personal Information

As a general rule, Pipze Market Limited retains your personal information for the whole period of the business relationship with you and 5 years from the termination of such relationship. However, the period of your personal information retention can vary for different information types in the context of different products; actual retention periods can vary significantly. The criteria used to determine the retention periods include, for instance:

- The period of information processing needed to provide the services. This includes such things as maintaining and improving the performance of those services, keeping our systems

secure, and maintaining appropriate business and financial records. This is the general rule that establishes the baseline for most information retention periods.

- The information subject's consent for a longer retention period. If so, we will retain information in accordance with the consent.
- Pipze Market Limited is subject to a legal, contractual, or similar obligation to retain the information. Mandatory information retention laws including AML/CFT regulations can be applied in the applicable jurisdiction, government orders to preserve information relevant to an investigation, or information that must be retained for the purposes of litigation.
